## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Habitat for Humanity of Williamson – Maury (formerly Habitat for Humanity of Williamson County,  
Tennessee, Inc.)  
Franklin, Tennessee

We have audited the accompanying financial statements of Habitat for Humanity of Williamson – Maury (formerly Habitat for Humanity of Williamson County, Tennessee, Inc.) (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Williamson – Maury (formerly, Habitat for Humanity of Williamson County, Tennessee, Inc.) as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**HABITAT FOR HUMANITY OF WILLIAMSON – MAURY (FORMERLY HABITAT FOR  
HUMANITY OF WILLIAMSON COUNTY, TENNESSEE, INC.)  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2015 and 2014**

**NOTE 1 – ORGANIZATION AND PURPOSE**

Habitat for Humanity of Williamson – Maury (formerly Habitat for Humanity of Williamson County, Tennessee, Inc.) (“Habitat”), is a nonprofit, tax-exempt corporation organized in the State of Tennessee in 1992, whose goal is to provide affordable housing for low-income families in Williamson and Maury Counties, Tennessee. Habitat is an affiliate of Habitat for Humanity International, Inc. (“HFHI”).

Habitat is an ecumenical housing ministry that helps people in need afford decent housing. The houses are funded primarily with money contributed by sponsors and other supporters. Families who qualify purchase their homes at cost and pay the purchase price back over a thirty year period with no interest. Monthly collections, except for taxes and insurance, are recycled into building more homes for other needy families. Families are chosen by Habitat’s family selection committee. The need for a decent house is the most important criterion in the selection of a family. Only families who cannot purchase a house through conventional means are considered. A family must prove by their employment history and current income that they will be able to pay the cost of their home. The character of the potential homeowners and cohesiveness of the family are also important considerations. The family must give evidence that they will take pride in their home and community. Habitat’s goal is to serve as a partner with all Habitat families. Families must put in two hundred and fifty hours of work on either their home or other Habitat homes. In addition, families are required to attend an eight week budgeting class.

House design and construction are overseen by a local construction manager who consults with the family as to their housing needs. The houses are primarily built by the future home owners, sponsors and other volunteers. Hired labor is used when required by building codes or when it is more efficient to use it.

Habitat is bound to HFHI through an affiliate covenant. HFHI primarily assists local affiliates with information resources, training, publications, prayers and other general administrative support.

Habitat operates from facilities located in Franklin, Tennessee, and receives its support primarily from the Middle Tennessee area. It is supported primarily by charitable grants, sales of affordable housing, contributions and fundraising events.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of Habitat have been prepared on the accrual basis of accounting. The significant accounting policies are described below.

**HABITAT FOR HUMANITY OF WILLIAMSON – MAURY (FORMERLY HABITAT FOR  
HUMANITY OF WILLIAMSON COUNTY, TENNESSEE, INC.)  
NOTES TO FINANCIAL STATEMENTS (Continued)  
June 30, 2015 and 2014**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Basis of Presentation**

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Habitat and changes therein are classified and reported as follows:

**Unrestricted net assets** – Net assets that are not subject to donor-imposed stipulations.

**Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that may or will be met either by actions of Habitat and/or the passage of time.

**Permanently restricted net assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently by Habitat. Habitat had no permanently restricted net assets at June 30, 2015 and 2014.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes.

**Revenue Recognition**

Contributions are recognized when the donor makes a promise to give to Habitat that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Habitat operates the Habitat for Humanity ReStore (“ReStore”) in Franklin, Tennessee, a retail operation, where home furnishings, appliances and other miscellaneous items are donated and then sold to the community at a greatly reduced price. Additionally, Habitat occasionally purchases inventory items for sale at ReStore. ReStore sales are recognized as revenue at the time the merchandise is transferred to the customer. Sales returns have not been significant.

Contributions of assets other than cash are recorded at market value at the date of donation, except for ReStore donations. Since most ReStore donations are the result of overstocked, low demand, used or damaged items, the value of the donations is not readily determinable until the item is sold. Therefore, the ReStore inventory has been reasonably estimated as a percentage of lagging three-month sales.

**HABITAT FOR HUMANITY OF WILLIAMSON – MAURY (FORMERLY HABITAT FOR  
HUMANITY OF WILLIAMSON COUNTY, TENNESSEE, INC.)  
NOTES TO FINANCIAL STATEMENTS (Continued)  
June 30, 2015 and 2014**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Recognition (Continued)**

Sponsorships of homes are solicited from the public, specifically recognizable groups such as churches, schools, civic organizations, business organizations, etc. A full sponsorship of a home is \$70,000. Co-sponsorships are allowed. Sponsors are required to sign a sponsorship agreement which is an unconditional promise to give. Cash and/or in-kind donations, primarily materials, are counted toward fulfilling the sponsorship. Sponsors also commit to provide between 1,000 and 1,300 man-hours of general construction labor.

Sponsorship receivables generally state that full payment is due sixty days prior the scheduled build date. Certain individual sponsorship agreements may state specific partial payment amounts and due dates. Account balances with invoices dated over thirty days old are considered delinquent. The carrying amount of sponsorships receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Sponsorships receivable are written off when, at management's discretion, further collections will not be pursued on an account.

Grants and bequests, primarily from state and local housing authorities or private foundations, may require the fulfillment of certain conditions as set forth in the grant or bequest notification/instrument. Failure to fulfill the conditions could result in the return of the funds to the grantors. Although such a circumstance is a possibility, management deems the contingency remote because Habitat has historically complied with donor provisions. By accepting the gifts and their terms, Habitat has demonstrated its intent and its policy to accommodate the provisions of the gifts and to coordinate them with the objectives of Habitat.

Mortgages receivable are secured by deeds of trust on the real estate sold. Payments are due monthly. When a loan becomes sixty days past due, the homeowner is required to attend classes on budgeting and is required to fulfill a payment plan to become current on the mortgage. Federal regulations require foreclosure procedures to begin on day one hundred and twenty-one past due.

Unearned revenue on second mortgage loans represents the discounted value of non-interest bearing second mortgage loans obtained on Habitat loans. The homeowner is required to sign a second mortgage for the difference between the greater of the estimated fair market value of the home or its cost, and the first mortgage balance as of the transfer date. The scheduled payment on the second mortgage loan is forgiven by Habitat each time a payment is received on the first mortgage, beginning five years after the initial transfer to the homeowner. Habitat does not foresee collection of the second mortgage loans except in the event of sale or refinancing of the home by the owner.

HUMANITY OF WILLIAMSON COUNTY, TENNESSEE, INC.)  
NOTES TO FINANCIAL STATEMENTS (Continued)  
June 30, 2015 and 2014**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Land Held for Development**

Land held for development consists primarily of residential building lots on which the low-income houses are built. Cost of land is allocated to houses sold based on the average cost of total lots per tract purchased. Each tract of land is generally expected to be used within two years.

**Project Costs and Sales of Homes**

Costs incurred to acquire and to develop land, whether donated or paid by Habitat, are capitalized as inventory until the land is ready for use as residential building lots. Once the development costs have been completed, the total costs incurred within a given tract of land are allocated equally based upon the total number of lots developed. The cost of the lots on which construction is taking place is removed from land held for development and included in construction in progress, which also includes the costs of materials and labor used to build the houses. Construction costs are capitalized as incurred, and are allocated to individual building projects primarily by specific identification. When a building project is completed and ownership of the home is transferred to the homeowner, the total cost capitalized for that home is removed from construction in progress and is charged to construction cost, which is included in functional expenses, classified as program services. Transfers to homeowners revenue is recorded at the amount of the mortgage the homeowner agrees to pay in return for the property. The entire cycle, from acquisition of land until completion of the home and transfer of ownership to the homeowner, typically takes place in less than two years.

**Property and Equipment**

Property and equipment are stated at cost. Depreciation and amortization are provided over the assets' estimated useful lives using the straight-line method. Donated property and equipment are recorded at their estimated market value at the date of the gift.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. When property or equipment is retired or sold, the cost and the related accumulated depreciation are removed, and the resulting gain or loss is included in the change in unrestricted net assets.

**Advertising**

Advertising costs are charged to expense as incurred. Advertising expense totaled \$20,487 and \$20,627 for the years ended June 30, 2015 and 2014, respectively.

**Program Services**

Program services include construction, ReStore operations, family support and educational ministries and the discounts on mortgage obligations. The cost of home building is charged to program services upon transfer to the homeowner. Program services include the cost of homes transferred, which have an average cost per home of \$142,888 and \$131,407 for the years ended June 30, 2015 and 2014, respectively.

**Donated Services**

Unpaid volunteers make contributions of time in various administrative, fundraising and program functions. The value of contributed time is not reflected in the financial statements as it is not susceptible to objective measurement or valuation.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services based upon management's analysis.

**Income Taxes**

Habitat is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code. Accordingly, federal income taxes are not provided in the accompanying financial statements.

HUMANITY OF WILLIAMSON COUNTY, TENNESSEE, INC.)  
NOTES TO FINANCIAL STATEMENTS (Continued)  
June 30, 2015 and 2014**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Income Taxes (Continued)**

Habitat follows Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) guidance clarifying the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. There are no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include years ended June 30, 2012 through June 30, 2015.

**Subsequent Events**

Habitat evaluated subsequent events through December 5, 2015, when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.

**NOTE 3 – CREDIT RISK AND OTHER CONCENTRATIONS**

Habitat occasionally maintains cash on deposit at banks in excess of federally insured amounts. Habitat has not experienced any losses in such accounts and management believes Habitat is not exposed to any significant credit risk related to cash.

Habitat provides housing for low-income families. These houses are funded primarily by contributions from sponsors and other supporters primarily in the Middle Tennessee area. Accordingly, substantially all sponsorships receivable are due from such supporters.

**NOTE 4 – SPONSORSHIPS RECEIVABLE**

Habitat has included unconditional promises to give as sponsorships receivable. Sponsorships are scheduled to be received as follows at June 30:

	<u>2015</u>	<u>2014</u>
Amount receivable within one year	\$ 42,827	\$ 65,580
Less allowance for uncollectible contributions	<u>(1,955)</u>	<u>(1,955)</u>

**NOTE 5 – MORTGAGE LOANS RECEIVABLE**

Mortgage loans receivable at June 30, 2015 and 2014 consist of first and second mortgages payable related to residences built by Habitat. The mortgages are provided to the buyers at no interest in accordance with Habitat's purpose. Mortgage loans receivable have a discounted balance of \$6,994,230 and \$5,542,510 at June 30, 2015 and 2014, respectively.

Beginning in 2008, Habitat began requiring discounted second mortgages on residences. These mortgages are also non-interest bearing and scheduled payments are forgiven each time a payment is received on a first mortgage beginning five years after the initial transfer to homeowner. The discounted balance on second mortgages was \$1,587,950 and \$1,033,363 at June 30, 2015 and 2014, respectively, and is included in mortgage loans receivable and unearned revenue on second mortgage loans in the accompanying statements of financial position.

Currently, management anticipates no significant collection problems. Non-interest bearing mortgages have been discounted at various rates ranging from 4.25% to 7.81% based upon prevailing market rates at the inception of the mortgages. Discounts are amortized using the interest method over the lives of the mortgages. Maturities of the mortgage loans are as follows:

<u>Year ending June 30,</u>	
2016	\$ 593,813
2017	585,202
2018	578,700

Thereafter	<u>9,804,537</u>
Total maturities	12,651,448
Amounts representing imputed interest	<u>(5,657,218)</u>
	<u>\$ 6,994,230</u>

**NOTE 6 – LAND HELD FOR DEVELOPMENT**

Land held for development consists of lots to be developed as residences at June 30, 2015 and 2014. Construction does not begin until a sponsor has committed to the project. Costs incurred to improve land are capitalized when incurred. The total allocated cost of each lot is charged to construction in progress upon commencement of building activities.

**NOTE 8 – LINE OF CREDIT**

Habitat has a revolving line of credit with a bank. The revolving line of credit bears interest at a variable rate (3.25% at June 30, 2015) and is secured by four specific mortgages. The line of credit allows borrowing up to \$300,000 and expires January 2016. Outstanding borrowing under this line totaled \$260,829 at June 30, 2015 and 2014, respectively.

**NOTE 9 – NOTES PAYABLE**

Notes payable to Tennessee Housing Development Agency, non-interest bearing, payable in monthly principal installments of approximately \$10,000 through November 2044, secured by thirty four non-interest bearing first mortgages held by Habitat, with a discounted value of \$1,389,973. The note payable has an undiscounted balance outstanding of \$3,222,587 at June 30, 2015. A discount rate ranging from 5.0% to 7.81% (risk adjusted rate) was applied to arrive at net present value of the notes payable at issuance. Contribution revenue of \$318,807 has been recognized in 2015, to present the difference between the undiscounted notes payable balances and their present value at time of issuance. The discount is being amortized to interest expense on the interest method over the respective terms of the notes. The unamortized discount at June 30, 2015 amounted to \$1,832,614.
